Hi Eric -

Two of the COCs I know. One of them, I am not sure yet.

1. 30204650 – Not sure yet. Might be from UMR or HTC.
2. 30207596 – Area 5 Confirmation Samples
3. 30207597 – Low Concentration Pile Samples

I will get back with you once I figure out what 30204650 is from.

Thank You

Chad

Subject: Disposal of samples in Lab

Good morning Eric,

How are you doing. The lab is requesting us to confirm if they should dispose of all the soil/slag samples with them since analysis has been completed.

Thanks,

Ben Nwosu
